# FARMERS MARKETS

*According to the Iowa Department of Agriculture, these are but a few of the hundreds of seasonal farmers markets across the state. While space prohibits us from listing them all, you can find all the Iowa farmers markets (including a market near you) at the IDA's searchable directory at [www.agriculture.state.ia.us/FarmersMarkets.asp](http://www.agriculture.state.ia.us/FarmersMarkets.asp). Most outdoor markets are open through September/October, or when the first deep frost hits. Remember, market times and locations can change.*
